## Please select one of the following options:

- I am not able to volunteer for this Summer's Competitive Travel Soccer Season**  
Enclosed is my \$200 check made payable to HFC United. I understand this check will be deposited immediately into the HFC United account.
- I plan to volunteer during this Summer's Competitive Travel Soccer Season**  
I have enclosed a check for \$200 made payable to HFC United. Upon completion of four (4) volunteer hours per player, I will complete the Volunteer Tracking form that is found on the HFC United website. I will either mail or submit the tracking form via email to HFC United's travel director. My check will then be voided and shredded by HFC United and will not be returned. Should I not volunteer a minimum of four (4) hours per player prior to the date noted on the HFC United website (typically on August 1<sup>st</sup> of each year), or not return my Volunteer Tracking form by the date noted on the HFC United website, I understand my check will be cashed and deposited into the HFC United account.
- I have already completed my volunteer hours for this Summer's Competitive Travel Soccer Season**  
My completed Volunteer Tracking form is enclosed in lieu of a check.
- I have served as a coach, assistant coach, or team manager for this Summer's Competitive Travel Soccer Season (or I have served during the Fall Competitive Travel Soccer Season prior to this Summer season)**  
I understand that this will count towards my volunteer requirements for all of my children playing in during the summer season. I also understand that I will complete this form for each of my children playing during the summer season with this option selected.
- I have paid the "Opt-out" fee of \$200 when registering my child for the Summer Competitive Travel Soccer Season**

**Please review the Volunteer page on the HFC United website for more information, including what counts, and does not count, towards your volunteer requirement.**

**I have read and I understand what my requirements are, in regards to the volunteer requirements and obligations for this Summer Competitive Travel Soccer Season.**
